

Designer Bathrooms without the price tag

BELLA VISTA is an Australian based company providing a wide range of professional building solutions. **BELLA VISTA** provides quality prestige Bathroom, Kitchen, products.

Bella Vista screens are no comparison to the other frameless shower screens on the market. Bella Vista screens are designed with thought of the end user and the installer kept in mind.

Bella Vista have invested heavily in the hinge design and tooling. We have a design patent in place to protect our product and will not hesitate to issue an infringement notice to any one copying it.

Patent Nunber:2013201194
